D. Recognition of the Public

The Copley-Fairlawn City School District Board of Education feels that while public participation in Board meetings is not required, it is a valuable way to receive input from community members. The Board will not enter into debate or discussion on any matter brought forward, instead the information will be forwarded to the proper individual for possible follow up. Those who wish to participate in the public comments section of the agenda must sign in on the sheet available at the entrance to the meeting. Those signed up to address the Board should limit their comments to a maximum of three minutes until the total time of 30 minutes is used according to Policy BDDH (Also KD) and Ohio Revised Code 121.22 and 3313.20.

Meredith Morgan, resident and retired teacher, commented on how proud she was of various things happening within the school district but she feels that all special needs assistants need to have an increase in their hours and pay.
