

## Four Year Plan For Graduation 2026 and Beyond

| Freshman Year        |             |               |
|----------------------|-------------|---------------|
|                      | Course Name | Credit Earned |
| English 9            |             |               |
| Math                 |             |               |
| Science              |             |               |
| World History        |             |               |
| Phys. Ed./ Health    |             |               |
| Elective/ Elective   |             |               |
| Elective/Elective/SH |             |               |
|                      | Total:      |               |

| Sophomore Year       |             |               |
|----------------------|-------------|---------------|
|                      | Course Name | Credit Earned |
| English 10           |             |               |
| Math                 |             |               |
| Science              |             |               |
| U. S. History        |             |               |
| Phys. Ed. / Elective |             |               |
| Elective/ Elective   |             |               |
| Elective/Elective/SH |             |               |
|                      | Total:      |               |

| Junior Year          |             |               |
|----------------------|-------------|---------------|
|                      | Course Name | Credit Earned |
| English 11           |             |               |
| Math                 |             |               |
| Science              |             |               |
| Gov / History        |             |               |
| Elective/ Elective   |             |               |
| Elective/ Elective   |             |               |
| Elective/Elective/SH |             |               |
|                      | Total:      |               |

| Senior Year            |             |               |
|------------------------|-------------|---------------|
|                        | Course Name | Credit Earned |
| English 12             |             |               |
| Math                   |             |               |
| Science                |             |               |
| History                |             |               |
| Elective/ Elective     |             |               |
| Elective/Elective/SH   |             |               |
| Elective/ Elective /SH |             |               |
|                        | Total:      |               |
