

# PSAT / NMSQT 2024

## Registration Form

Copley Juniors will have the option to take the Digital PSAT on October 23, 2024 from 7:25AM—11:00AM in the Auxiliary Gym. Copley 9th and 10th graders may also take the test for practice. Although the test is optional, scores can provide valuable information and opportunities for students. The cost to take the test is **\$18.00**. (Eleventh grade students who qualify for the National Free and Reduced Lunch Program will qualify for a Fee Waiver, stop in the Guidance Office for information). Students choosing to take the PSAT, must return the completed registration form and fee to the guidance office by **August 29, 2024**.

Please Note: There is no makeup day for taking the PSAT.

The PSAT/NMSQT (Preliminary SAT/National Merit Scholarship Qualifying Test) measures critical reading, verbal reasoning, math problem-solving skills and writing skills. By taking the PSAT/NMSQT students practice for the SAT, receive information from colleges and get valuable feedback about important academic skills. **Juniors scoring high enough on the PSAT may also qualify for entrance into the National Merit Scholarship Program.** Juniors entering the Scholarship Program may have an opportunity to earn money to apply toward college expenses.

If you have any specific questions regarding the PSAT please contact Mr. Campana in the Copley High School Guidance Office at 330-664-4827. *Complete the registration form and return to the guidance office with cash (exact amount) or a check made out to Copley High School.*
